

How to Change Your CFISD Student Network Password

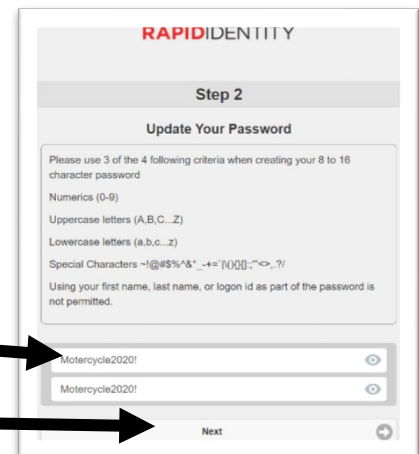

1. Go to <http://stugo.cfid.net>.
2. Click on Student Password Reset.
3. Follow the prompts on the screen.

4. Click the Next button.

5. Type in the new password by following the password policies.
6. Click the Next button after you have entered your new password twice.

7. When you see this screen, your password change has been successful.
8. Go to <http://my.cfid.net> to test your login and "new" password.
